

Notes from the October 17 Session Meeting:

Dear Brothers and Sisters in Christ – We present this update to you from our last Session meeting with joy!

- Our mission partner and Remember Niger founder, Kara VanderKamp, will be visiting Charleston later this month and has been approved to preach on Sunday October 29, 2023.
- Repairs to the narthex and restrooms made possible by the Martha Sutton bequest, your generous donations and the hard work of the Buildings and Grounds committee continue with many expected completions over the next few weeks. Repairs to the breezeway have begun!
- The new Childcare Center building is well underway with an anticipated opening date in January 2024. Take a peek as you drive by on Pauline.
- The Worship and Music, Children and Youth and Fellowship Committees outlined many anticipated advent and Christmas opportunities for all of our members and guests. Please watch your bulletins and announcements for more details and plan to attend.
- Buildings and Grounds has announced a church workday for Saturday November 11. All are invited to attend as many hands make light work. This is a great opportunity to join in the fellowship of “elbow grease” and give your time and talents to our Lord’s church!
