

Congregation Approves New Pastor

At JIPC's Congregational Meeting on Sunday, July 28, JIPC voted to accept the PNC's recommendation to appoint Reverend Barrett Payne as JIPC's Senior Pastor/Head of Staff. Reverend Payne will start on September 3, and his family will move down on Tuesday, August 6 so that their children can get registered and start school on time. You can read about Reverend Payne and his family in the flyer. They will start their lives here living in the house formerly known as the 'mission house,' now to be known as the 'manse.' We thank all of you who have helped us so far with the transformation and the overdue clean up and repair of this house. Now we have the final push!

JIPC Continues to Recover from Lightning Strike/Power Surge

JIPC was hit by lightning and suffered significant damage from the strike(s) and resulting power surges: in addition to some computers, a phone, and lights, our sanctuary streaming equipment (cameras, computers, controllers), our primary computer network switch (which powers our security system among other things, and our organ were damaged. We are working with contractors, vendors, and our insurance company to repair/replace things as quickly as we can. In the meantime, we ask for your patience and your prayers as we travel this path. Thank you! We will let you know as soon as we are able to record and stream services again.
